Our Company is in receipt of communication dated 01/06/2014 from ASE intimating that the company has been suspended from ASE w.e.f. 01/06/2014. ASE also informed us that they have decided to levy ₹15 lacs as reinstatement fees in addition to pending listing fee. We have vide our letter dated 28/06/2014 replied to the said communication informing them that the company has already complied with Delisting of Securities Regulations by following the procedure mentioned therein. The shareholders of the company had passed a resolution for delisting of equity shares from ASE at the AGM held on 26/09/2003 and have submitted application for delisting in the prescribed form vide our letter dated 18/12/2003. Subsequently, the ASE advised the company vide their letter no. Thereafter our company followed with ASE vide various communications requesting ASE to delist equity shares of the company. Company received the communication from ASE on May 02, 2013 in the nature of statutory notice directing the company to pay annual listing fee amounting to ₹1,67,069/-. Subsequently company received a legal notice from one Sonali N. Antani, Advocate, Gujarat High Court dated September 12, 2014 on behalf of ASE requiring the company to comply with conditions of listing agreement and payment of pending listing fees of ₹1,58,034/-. Our company has once again suitably replied vide our letter dated September 26, 2014 narrating the course of events since 2003 confirming that our company is responsible to pay listing fees upto the year 2003 and not up to the year 2014 as demanded by ASE. While replying to the said notice our Company has also mentioned about our communication with ASE as no response from ASE since past several years as regards pending listing fees upto year 2003 and delisting application is received from them.

Our Company has written a letter dated January 21, 2015 to ASE reiterating the earlier correspondences in connection with the outstanding amount of listing fees and seeking

a settlement of the same. The Company has also sent another letter dated January 24, 2015 to ASE requesting them to settle the matter amicably wherein the company has proposed to make payment of ₹40,000/- towards the listing fees for the period between F.Y.2000-01 to F.Y.2003-04. Subsequently, a letter dated February 20, 2015 of Ahmedabad Stock Exchange was received by Company wherein ASE has offered concession/discount upto 30% to settle the outstanding annual listing fees. 5. We have incurred losses in past resulting in full erosion of networth. Consequently, our case was referred to BIFR that got admitted in the year 2004. As on March 31, 2015 our outstanding accumulated loss aggregates to ₹ 100.21 lacs.

During the period F.Y.1999 to 2001 our company went through a troubled phase on account of various internal and external factors such as subdued demand for products, inadequate working capital limits lower realization value of products, etc. resulting in losses and erosion of networth. Our Company also defaulted on repayments of banks. The deteriorating financial health of our company led to registration of case with BIFR in the year 2004. Subsequently, during the normal course of business our Company's financial health improved and the Company was in a position to settle the outstanding dues of creditors. On account of positive networth our company ceased to be a sick company in 2007. Thereafter with stability in financial management and operations of Company the performance started improving. Steadily the past losses also wiped out and as on March 31, 2015, our company has accumulated losses only to the extent of ₹100.21 lacs. However, we cannot provide any assurance that Company may continue to make profits in future. 6. Issue Proceeds would be utilised for repayment of unsecured loan & funding of issue expenses and hence would not result in creation of assets.

The issue proceeds shall not be utilized for creation of any assets. We intend to use the issue proceeds towards repayment of unsecured loan availed from the promoter group company namely Everest Yarn Agency Private Limited which will lead to improvement in financial ratios and leverage capacity. A part of the issue proceeds shall also be utilized to fund the expenses to be incurred in the issue. For further details on the use of the Issue Proceeds, please see the section "Objects of the Issue" on page 39.

7. The unsecured loan availed by our Company from our promoter group company namely Everest Yarn Agency Private Limited maybe recalled at any given point of time.

The outstanding unsecured loan availed from EYAPL as on March 31, 2015 was ₹315.53 lacs which is 0.43 times of the total outstanding debt as on March 31, 2015. Due to various internal and external factors prevailing during 1999-2000 such as low demand of products manufactured by the company coupled with increased expenditure and inadequate availability of fund based working capital limits from the Bank, the company started making losses which were accumulated over a period of time. In order to support the operations, our company started availing unsecured loan from EYAPL from time to time.

We cannot assure you that we can maintain the historical levels of business from these customers or that we will be able to replace these customers in case we lose any of them. The loss of a significant customer or customers would have a material adverse effect on our financial results.

Further, during F.Y.2014-15, approx 42.30% of the value of raw material was procured from Garden Silk Mills Ltd. Though there are other textile players who have depots in the vicinity to supply raw material, the availability of the raw material at acceptable prices may affect production and also have material adverse effect on our financials.

Our promoter and promoter group have promoted companies viz, Everest Yarn Agency Private Limited (EAYPL) and Vakharia Synthetics Private Limited (VSPL) that are permitted to carry on the business of dealers and manufactures of polyester yarns. Although these companies derive their income either from dealing of products or from non operational income, we cannot assure you that they may not enter into manufacturing of similar products which may result in direct competition and impact our market share. It may also lead to potential conflict of interest which may favour group companies thus affecting the business operations and financials of our Company.

1. Details of the Objects of Issue – Repayment of unsecured loans

Our Company proposes to repay unsecured loan to the extent of ₹315 lacs. The said unsecured loan was taken from Everest Yarn Agency Pvt. Ltd. (EYAPL) from time to time for the purposes of our business requirements. The outstanding unsecured loan from EYAPL as on June 30, 2015 is ₹320.60 lacs.

During the period 1999-2001 our company faced turbulent state of affairs on account of various internal & external factors. During this period the demand of the products manufactured by our company was at its lowest ebb. This coupled with increased expenditure and inadequate availability of fund based working capital limits from the Bank led to lower capacity utilization. Further the prevailing adverse economic conditions led to lower

realization for our products. All these factors culminated into company making losses which were accumulated over a period of time. In order to support operations the company had availed an unsecured loan from EYAPL, one of the promoter group company, during the financial year 1999. The above adverse factors resulted in company facing severe crunch of working capital and repayment of bank loans also became difficult. In the process the accumulated losses enhanced resulting in networth of our company being eroded. As the company's financial position was in jeopardy, the Bombay Mercantile Co-op Bank Ltd, (BMCB) the then working capital banker of the company, had in April 2001 recalled the entire aggregate outstanding advance as on March 31, 2001 amounting to ₹387.44 lacs sanctioned as working capital and other bank loan facilities to our company. Further, the accumulated losses of our Company as on March 31, 2001 amounted to ₹630.87 lacs. All these factors affected the operations of the Company and as a result the company defaulted in repayment of bank loans in time.

Consequently an application to the Board for Industrial & Financial Reconstruction (BIFR) was made which was registered in December 2004. The company in order to remain afloat and conduct day to day operations kept on raising unsecured loans from EYAPL from time to time. During the financial year 2006, ultimately our company entered into a one time settlement with BMCB by paying one time settlement amount of ₹140.00 lacs. The said settlement was also possible on account of unsecured loans raised from EYAPL amounting to ₹87.87 lacs in F.Y.2005-06. .

With the turnaround in economic conditions as far as products of our company were concerned, the company was able to grow the business steadily during the period 2005-2006. With the conscious effort, the company was able to register good business and ultimately the networth became positive during F.Y. 2005-06. The Company then filed an application in February 2007 for discharge from provisions of SICA. BIFR discharged our Company from the purview of SICA/BIFR vide order dated December 18, 2007. With the help of financial support from EYAPL & directors, company was able to maintain its financial position in an appropriate manner. There was a gradual stabilization of the operation of the company. However, the company was required to maintain the cash flow position and hence the unsecured loan from EYAPL could not be repaid in full.

Further during this period of about 4 years the company had no credit limits from the banks and the operations of the company were managed through internal resources and unsecured loans from related parties including EYAPL. Thus the company conducted its business without bank finance till December 2010.

With improved overall conditions, management made all out efforts to grow the business of the company. In December 2010, the loan application of the company to Janata Sahakari Bank Limited, Pune (JSB) was considered

and our company was sanctioned cash credit facilities to the extent of ₹150.00 lacs. With the financial assistance from JSB and conscious efforts by the management, company was able to post a reasonably good performance and was able to produce 3904 tons in FY 2012 as against 2649 tons in the FY 2011 resulting in a turnover of ₹42.60 cr as against ₹26.20 cr during the previous year.

With the improved performance the said bank limit was increased from ₹150 lacs to ₹415 lacs. At the same time the accumulated losses brought forward from the earlier years gradually decreased and as on March 31, 2015 the carried forward accumulated losses is only ₹100.21 lacs. During these years company made efforts from time to time to reduce the unsecured loans depending on the cash flow position. However, as on June 30, 2015 the unsecured loan to the extent of ₹320.60 lacs is outstanding on which the interest payable is at 6% per annum.

The board of directors in their meeting held on October 18, 2014 took a decision to capitalize the company by infusing new equity share capital through the process of Rights Issue. The infusion of long term equity capital would go a long way in capitalizing the company and accordingly unsecured loans mentioned above are proposed to be repaid. The infusion of equity capital would further strengthen the financial position and improve the debt equity ratio and other parameters enabling the company to leverage. The repayment of unsecured loans to the extent of ₹315.00 lacs by infusion of equity share capital through this rights issue would improve the debt equity ratio from the present level of 3.58 times as on March 31, 2015 to less than 1 time.

Hence it is in the interest of the company to infuse long term equity capital and repay the unsecured loans as mentioned above.

Products & its application

Polyester Texturised Yarn is a raw material for manufacturing of variety of fabrics. Overview of the Business

Our Company is engaged into manufacturing of Polyester Texturised Yarn (PTY) since its inception. Our Company has more than two decades of expertise in manufacturing of PTY which is primarily used in the process of weaving of fabrics in apparel based products such as suiting, shirting, dress material, saree, socks, denims etc. PTY is also used to manufacture non apparel based products such as upholstery, curtains, bed linen, carpets, etc. Our product is largely sold to companies having weaving facilities at Bhiwandi, Malegaon and Surat. Our products are primarily sourced by fabric companies to manufacture suiting, shirting, dress material, saree, denims, etc.

Significant developments subsequent to the date of the last financial statement as disclosed in the Letter of Offer

Our operations maybe affected on account of downfall/volatility in crude oil prices resulting in volatility in raw material prices. This volatility in prices is likely to affect our margins and may also result in inventory /stock losses. Other than as mentioned above there are no circumstances have arisen since June, 2015 (i.e., the date of the last financial statement as disclosed in the Letter of Offer) which are likely to affect, our operations or profitability, or the value of our assets or our ability to pay our material liabilities within the next 12 months

Factors that may affect results of the Operations

The following important factors could cause actual results to differ materially from the expectations include among others:

- General economic and business conditions;

Option to receive Equity Shares in Dematerialized Form

Investors shall be allotted the Equity Shares in dematerialized (electronic) form at the option of the Investor. The Company has signed a tripartite agreement with NSDL on May 30, 2001 and with CDSL on April 24, 2001 which enables the Investors to hold and trade equity shares in a dematerialized form, instead of holding the equity shares in the form of physical certificates.

In this Issue, the allottees who have opted for Equity Shares in dematerialized form will receive their Equity Shares in the form of an electronic credit to their beneficiary account as given in the CAF, after verification with a depository participant. Investor will have to give the relevant particulars for this purpose in the appropriate place in the CAF. Allotment advice, refund order (if any) would be sent directly to the Investor by the Registrar to the Issue but the Investor's depository participant will provide to him the confirmation of the credit of such Equity Shares to the Investor's depository account. CAFs, which do not accurately

contain this information, will be given the Equity Shares in physical form. No separate CAFs for Equity Shares in physical and/or dematerialized form should be made.

INVESTORS MAY PLEASE NOTE THAT THE EQUITY SHARES OF THE COMPANY CAN BE TRADED ON THE STOCK EXCHANGES ONLY IN DEMATERIALIZED FORM.

The procedure for availing the facility for Allotment of Equity Shares in this Issue in the electronic form is as under:

- Open a beneficiary account with any depository participant (care should be taken that the beneficiary account should carry the name of the holder in the same manner as is registered in the records of our Company. In the case of joint holding, the beneficiary account should be opened carrying the names of the holders in the same order as registered in the records of our Company). In case of Investors having various folios in our Company with different joint holders, the Investors will have to open separate accounts for such holdings. *Those Equity Shareholders who have already opened such beneficiary account(s) need not adhere to this step.*
- For Equity Shareholders already holding equity shares in dematerialized form as on a day prior to the book closure period (i.e. Wednesday, September 09, 2015 to Tuesday, September 15, 2015), the beneficial account number shall be printed on the CAF. For those who open accounts later or those who change their accounts and wish to receive their Equity Shares by way of credit to such account, the necessary details of their beneficiary account should be filled in the space provided in the CAF. It may be noted that the Allotment of Equity Shares arising out of this Issue may be made in dematerialized form even if the original equity shares are not dematerialized. Nonetheless, it should be ensured that the depository account is in the name(s) of the Equity Shareholders and the names are in the same order as in our records.
- The responsibility for correctness of information (including Investor's age and other details) filled in the CAF vis-à-vis such information with the Investor's depository participant, would rest with the Investor. Investors should ensure that the names of the Investors and the order in which they appear in CAF should be the same as registered with the Investor's depository participant.
- If incomplete/ incorrect beneficiary account details are given in the CAF, then such shares will be credited to a demat suspense a/c which shall be opened by the Company as specified in the SEBI circular no. SEBI/CFD/DIL/LA/1/2009/24/04 dated April 24, 2009.
- The Equity Shares allotted to applicants opting for issue in dematerialized form, would be directly credited to the beneficiary account as given in the CAF after verification. Allotment advice, refund order (if any) would be sent directly to the applicant by the Registrar to the Issue but the applicant's depository participant will provide to him the confirmation of the credit of such Equity Shares to the applicant's depository account. It may be noted that Equity

Shares in electronic form can be traded only on the Stock Exchanges having electronic connectivity with NSDL or CDSL.

- Renounees will also have to provide the necessary details about their beneficiary account for Allotment of Equity Shares in this Issue. In case these details are incomplete or incorrect, the application is liable to be rejected.
- Non-transferable allotment advice/refund orders will be directly sent to the Investors by the Registrar.
- Dividend or other benefits with respect to the Rights Shares held in dematerialized form would be paid to those Equity Shareholders whose names appear in the list of beneficial owners given by the Depository Participant to our Company as on the date of the book closure.
